### LTTA "Facilitating Digital Learning through Storytelling"

In October 2021, the Digital Script project development FEPPV (Fundação de Ensino Profissional da Praia da Vitória) conducted LTTA event in Terceira Island, in Azores. All partners took part in 5-day event learning about the "Facilitating Digital Learning through Storytelling".

There were five days of practical learning, in an environment of perfect collaboration and mutual help between all participants.

## Online Digital Storytelling Learning Platform

The learning platform for basic digital skills is aimed at digital learning facilitators and people with low digital skills who wish to develop these skills.
